-

EDUCATION

Bachelor of Science in Information technology

June 2022 – May2025

Shree Ramkrishna Institute of Computer Education and Applied Sciences

- CGPA: 9.43
-

PROJECTS

ShreeJi Veg — Freelance Project

React JS, TypeScript, Redux Toolkit

- Developed a clean and intuitive UI with a focus on responsive design across devices.
- Allows users to place orders with date-wise selection, auto-generated order numbers, and per-item quantity inputs.

MS-Intern — Intern Management System

React JS, TypeScript, Redux Toolkit, Ant Design

- Designed and developed the frontend from scratch using React.js and AntD.
- Implemented core features like Time Log tracking, Progress Report, Monthly Summary calendar, and Work Policy with role-based access.

HireHub — Job Seeking Platform

React JS, Node JS, Express JS, Redux Toolkit, Ant Design

- Allows users to browse job listings, apply for jobs, and track application status.
 - Implemented features like job filtering, application history, and status updates.
-

WORK EXPERIENCE

Frontend Developer Intern

November 2024 – May 2025

Toshal Infotech — Surat City

- Led the frontend development of MS-Intern, a full-stack Intern Management System designed to streamline interns' progress, time logging, and reporting.
- Built the UI from scratch using React.js and Ant Design, ensuring a user-friendly experience across roles (Admin, Intern).
- Collaborated closely with backend developers to connect APIs and ensure seamless data flow,
- Gained hands-on experience in state management, API integration, and building production-ready frontend applications.
